### **The Texas Armed Services Scholarship Program Guidelines**

The Texas Armed Services Scholarship Program (TASSP) offers a conditional scholarship to a deserving student dedicated to education and military service. Created in 2009 by the 81st Legislature, the TASSP was designed to financially assist post-secondary students by encouraging them to become members of the Texas Army National Guard, the Texas Air National Guard, the United States Coast Guard, the United States Merchant Marine, or to become commissioned officers in any branch of the armed services of the United States. Each year the Texas Governor and Lieutenant Governor appoint up to two students, and each Texas State Senator and State Representative may appoint one student.

To be eligible, the student must fulfill two of the following four requirements:

1. On track to graduate or has graduated high school with the Distinguished Level of Achievement Plan or the International Baccalaureate Program (IB);
2. Has a current high school GPA of 3.0 or higher or graduated with a GPA of 3.0 or higher on a 4.0 scale;
3. Is currently ranked in the top third of their prospective high school graduating class or graduated in the top third of their graduating class;
4. Has achieved a college readiness score on the SAT (1070) or ACT (23).

To receive the scholarship, a student must:

1. Be enrolled in a Texas public or private accredited institution of higher education;
2. Enroll in and be a member of good standing of a Reserves Officer's Training Corps (ROTC) program while enrolled in the institution, as certified by the institution.
3. Enter into a written agreement with the Coordinating Board agreeing to:
  - a. Complete four years of ROTC training
  - b. Graduate no later than six years after the date the student first enrolls at an institution of higher education;
  - c. No later than six months after graduation, provide the Coordinating Board with the verification of:
    - i. A four-year commitment to be a member of the Texas Army National Guard, Texas Air National Guard, Texas State Guard, U.S. Coast Guard, U.S. Merchant Marine; or

## **Legislative Update:**

**HB 1652 - Relating to the public resale by means of a public auction using online bidding and sale of property purchased by a taxing unit at an ad valorem tax sale.**

In this weekly section, you will find bills authored by Rep. Huberty that successfully passed both

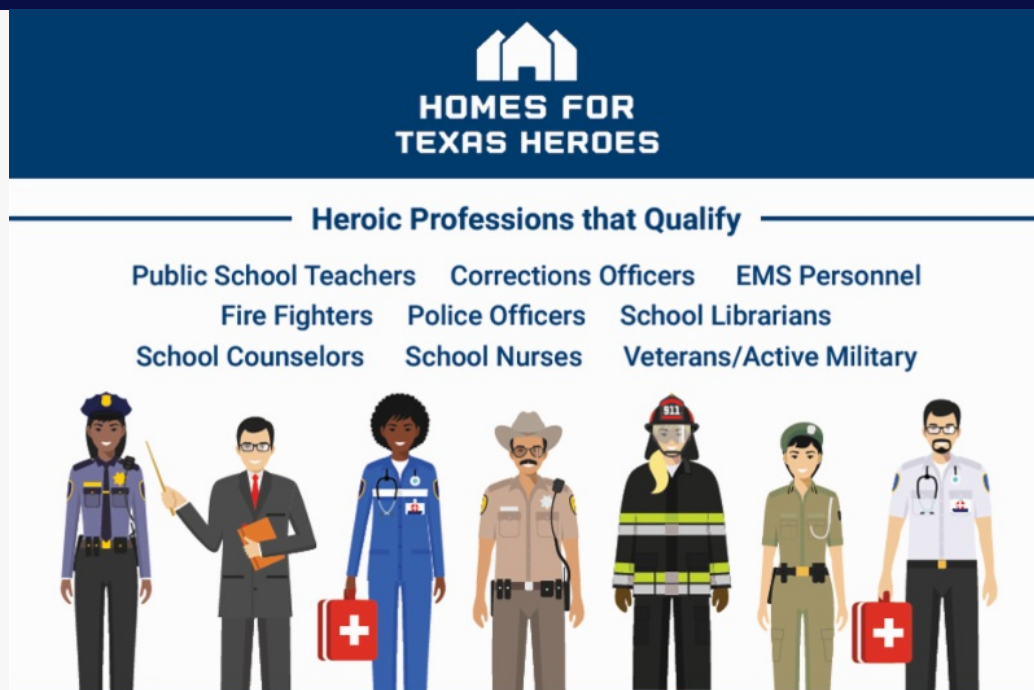

chambers and were sent to Governor Abbott for his approval. Governor Abbott has signed all of the 11 House Bills and both of the Senate Bills Rep. Huberty passed. The last bill highlighted here was [HB 907](#), which strengthens enforcement actions for the Texas Commission on Environmental Quality (TCEQ) on aggregate production operations in Texas. This week, you will learn more about [HB 1652](#), which permits the resale of real property for an ad valorem tax sale.

In 2015, Rep. Huberty [filed, sponsored and passed legislation](#) to permit a county commissioners court to use online auctions for ad valorem tax sales of real property. Implementation of that law led to an unforeseen consequence when a property does not receive any bids during the auction. [HB 1652](#) remedies this issue by permitting the resale of that property using the online auction system again. This simple bill will help to streamline processes for local governments and allow greater public engagement through the internet.

### Humble ISD: "Your Schools" Newsletter Now Available

## Humble ISD: Student Enrollment Information

**All registered students—new and returning—must be in attendance the first day of school, Aug. 12, or they will have to repeat the entire enrollment process.**

### New Students

Visit [www.humbleisd.net/enrollment](http://www.humbleisd.net/enrollment) and select the "New to District Student" box to see the steps to enroll new students. After completing online enrollment, parents make an appointment with the campus registrar, and take the following documents to the campus to complete registration:

- Proof of Age and Proof of Identity (official birth certificate, adoption record, hospital birth record, passport or other legal document that establishes age and identity)
- Parent/Guardian's driver's license or passport for identification purposes
- Immunization records (all records, including electronic, must be signed or stamped by the physician)

- Once your student's enrollment is accepted by the Campus Registrar, set up a Home Access Center (HAC) account. This account will allow you to monitor and view your student's academic progress, schedule, grades, test scores, and attendance.

NEW for summer 2019: During the week of July 22, a unique SnapCode for each child currently enrolled in Humble ISD will be sent via email to parents and guardians using their email address on file. The parent/guardian will click the link in the email, create a PowerSchool family account, then complete the Annual Update form online for each student. If the snapcode is lost or the email is not received, a parent can view each student's snapcode and the PowerSchool Enrollment website in Home Access Center (HAC). Take proof of residency to the school during back-to-school camps.

- If you live in a house: gas, water or electric bill in the name of the parent. Bill must be dated no earlier than July 1, 2019.
- If you live in an apartment: Copy of lease showing parent as person leasing apartment and showing student as occupant.
- If you are in a new home and have not yet received a utility bill: Copy of the lease or sales contract. Earnest money contracts are not accepted.
